

May 2009

Dear Friend:

Last month I wrote about Pathlight's five unsponsored students. This month, I have great news to share; we now only have *two* unsponsored students! Your gifts from last month, large and small, will allow for three students to complete their education. Thank you so much!

But we still have those two students without sponsorship. In June, we will be selecting next year's students. So we're making it our goal to secure funding for these two students before then. Please, consider a gift to Pathlight so we can finish our 2008-09 academic funding goals.

On an unrelated note, PathLight is stepping into the 21st century. By this, I mean social networking online that has the potential to broaden our reach. Facebook users can join our "Cause" page, which is nearing 200 supporters. Search for PathLight, and join the cause! We are also on Twitter, with updates daily about what is happening at PathLight. You can follow us @pathlightintl. We are making improvements to the website, which will be updated with a new look next month. Finally, we are working on a video that will give PathLight supporters a first-hand look at our sponsorship program, and we are even starting work on a second video.

I have three prayer requests. First, Bethel Unspeakable Joy Christian Fellowship Church of Los Angeles is sending a team to Belize to lead a spiritual development program. The sponsorship students will all be attending this event, and I have no doubt that lives will be transformed as a result. Our friends at Bethel are outstanding people filled with faith and hope, and by sharing the Gospel message and focusing on spiritual maturity in a cultural context that the students will understand, I believe the Spirit will make a huge impact!

My second prayer request is for the academic efforts of the sponsorship students. The end of the school year is here, and that means final tests and reports. Please keep the students in your prayers over the next few weeks as they finish up their work.

The third prayer request is for our summer teacher training conference. An American team of teachers will be working with Belizean teachers for a week, and all of the preparations for this conference have begun in earnest. Keeping these volunteers and the PathLight staff in your prayers is so greatly appreciated!

Blessings,
